TRUSTEES APPROVE SALARY INCREASE

Employees of the California State University and Colleges will receive a general across-the-board salary increase of approximately six percent effective July 1, the Board of Trustees decided at its meeting earlier this week. The precise amount of

increase will be shown on a salary schedule to be available soon. However, for full-time employees who are on a salary step of \$1,417 or less, the board authorized a flat \$85 per month increase.

CHANCELLOR DUMKE ANNOUNCES RETIREMENT

Chancellor Glenn S. Dumke announced Tuesday that he will retire on his 65th birthday in May 1982. He has agreed to remain beyond that date, if necessary, until his successor has been named by the Board of Trustees.

Dr. Dumke has been chancellor of CSUC since May 1962. Previously he was vice chancellor for academic affairs and president of San Francisco State University.

Since its founding in 1961, the CSUC has grown from 95,000 students to 314,000. It has come to confer more than half the bachelor's degrees granted in California and one-third of all master's degrees. During this period, curricular programs accredited by national professional agencies increased from 16 to 171. Some 75 percent of full-time faculty hold doctoral degrees, compared with 56 percent 20 years ago. Full- and part-time faculty members, totaling about 5,000 in 1961, now approach 18,000.

'YOU'RE A GOOD MAN, CHARLIE BROWN!'

The Theatre Arts Department will present "You're a Good Man, Charlie Brown!" at 8:15 p.m., Thursday-Saturday, July 23-25; and Thursday-Saturday, July 30, 31 and Aug. 1, in the Theatre. Matinee performances are scheduled for 2 p.m., Saturdays, July 25 and Aug. 1.

The musical is a selection of scenes based on the comic strip by Charles Schulz. Script and music are by Clark Gesner.

Stan Singer (Theatre Arts) will direct the play, which features students Mark Peters as Charlie Brown; Shelli Buchen, Lucy; Jeffrey Martyn, Linus; Don Gruber, Schroeder; and John Higley, Snoopy. Also in the play are students Debbie Bankler, Peppermint Patty; Corrine Soto, Marcie; Marisa Wine, Sally; Kimberly Maggio, Frieda; and Mary Manthis, Violet.

Constantinos Tellalis, a June graduate, will be the musical director. Student John Browning will be piano accompanist.

Admission charge for this summer production is \$1.75 for students and senior citizens, \$3.50 general.

DUMKE DISCUSSES BUDGET CUTS

California State University and Colleges will experience a "major retrenchment of programs" in the 1981-82 academic year, Chancellor Glenn S. Dumke said in a statement issued July 1.

The reason for the cutbacks is the state has authorized a 1981-82 support budget that is \$44,607,062 less than requested by the Board of Trustees and \$7,006,846 less than the budget level authorized for 1980-81.

The budget cut amounts to .75 percent below last year, despite an inflation rate of about 10 percent.

Areas projected for cutbacks include training of employees, financial aid for students enrolled in external degree programs, employee affirmative action intern programs, efforts to upgrade student writing skills, minimal office furniture for new campus employees, overtime payments required at peak hours and faculty replacements during periods of illness.

These reductions will require the campuses to finance certain of these costs from other programs, causing a rippling effect throughout the budget, according to the Chancellor's Office release.

The new budget will also cause a reduction in the acquisition of library books, a reduction by one-third in provision for deferred maintenance and a 25 percent reduction in travel expenses from the 1980-81 base.

The legislature discussed increases in student fees ranging from \$30 to \$100 annually, but decided to reduce state funding by \$5 million and give the Board of Trustees the option of increasing fees or reducing program expenditures. Dumke has asked a special task force to study the issue and provide recommendations by this fall.

Although the Board of Trustees requested an 11 percent employee compensation increase plus a 6.7 percent increase to recognize past inflation, the state's appropriation will permit the board to adjust salaries for staff and faculty by only six percent. However, the inclusion of a dental care insurance program effective Jan. 1 will represent an additional one percent increase in compensation.

LATE REGISTRATION FEES INCREASED

Beginning with the fall quarter, students registering late will be required to pay a \$20 late registration fee, instead of the former \$5 fee. The Board of Trustees approved the increase at its June meeting. Registration for fall classes, which begin Thursday, Sept. 24, is slated for Sept. 21-22. Late registration begins Sept. 24.

SUMMER POST-SESSION REGISTRATION CONTINUES

session now in progress is Wednesday, July 22.

Registration for post-session summer courses will continue through Friday, July 24 in the Admissions Office. Classes will begin Monday, July 27, and end Friday, Aug. 14. The last day of classes for the regular ses-

The post-session will offer five education courses and classes on drug and alcohol use and abuse, literary and cultural traditions of Western Europe, health and human ecology, abnormal psychology, sanity and civilization, and sex roles: the life cycle.

WATERMAN HALL REPAIRS PROGRESS

Repairs of Waterman Hall, damaged in an arson fire April 28, are nearing the halfway point of completion. The total cost will be about \$71,000 for repairs, plus about \$10,000 for furniture.

All rooms must be repainted before the projected completion date of Sept. 1. Repairs are extensive, including replacing some electrical wiring, light fixtures, windows and doors. Two living room support beams destroyed in the fire must be replaced, along with the carpeting in the living room and lower hallways and the tile on the kitchen floor.

CAMPUS SCHEDULING THROUGH ACTIVITIES

Campus groups wishing to schedule a facility during July and August are asked to call Gail Mitchell (Activities) at ext. 7407. Sherri Anderson (Student Union), who usually handles scheduling, is a 10-month employee.

ROLODEX FILE TO BE UPDATED

The Office of Academic Planning is updating the information in the rolodex files. The campus is asked to submit comments and suggestions for improving the system by next Tuesday. The office would also like to know if the system was easy to use, if the information was useful and clearly stated and if it helped in unfamiliar areas.

PARKING FEES ARE GOING UP

The payroll deduction for employee parking fees will increase from \$4 to \$5 effective Sept. 1. The new fee will be deducted from August payroll checks.

This increase, which is systemwide, is necessary to fund rising operating costs, according to a Chancellor's Office publication, Shore-Lines.
